I knew a girl, she wanted nothing,
Soon she wanted it all,
I knew a girl, who wanted something,
Soon she got it all.

Half way around the world,
You wouldn't believe the girl,
She never wanted me,
Just something to see.

I knew a girl, who wrote me nothing,
Still she wanted it more,
I knew a girl, looking for something,
'Till she got it all.

Now that the girl has gone,
I couldn't say what went wrong,
She never wanted me,
Yer, she never wanted me.

The girl's gone bad and she knows it,
The girl's gone bad and she knows it,
The girl's gone bad and she knows it.

Half way around the world,
You wouldn't believe the girl,
She never wanted me,
Just something to come and see.

The girl's gone bad and she knows it,
The girl's gone bad and she knows it,
The girl's gone bad and she knows it.

The girl's gone bad and she knows it,
The girl's gone bad and she knows it,
The girl's gone bad and she knows it.

She knows just what to do.
