You know what, you know what
You know what I need
You can't say, you won't stay
You won't wait for me
You know how, you know how
You know how I try
Well sometimes, sometimes
I just wanna die

I am already gone
You're still playing dumb and
I'm still fucking wrong

You work hard, you work hard
You work hard I see
You play fair, you play fair
You play fair for me
You walked out all, you walked out
You walked out I know
Well sometimes, sometimes
You just have to fall

I am already gone
You're still playing dumb and
I'm so fucking wrong

I am already gone
You're still playing dumb and
I'm so fucking wrong
