I don't know who you are  
And I don't know where you've been  
Always out on your own  
Always down on your knees

(Refrain):

Now you know  
I need a miracle  
A star-crossed lover  
An arrow in my heart  
I need a rainy day  
And an endless summer  
A pocket full of stars

Ooooooouh

Ooooooouh

Maybe you're just like me  
You see the faces in the crowd  
Looking down at their feet  
Never once make a sound

(Refrain) x2:

Now you know  
I need a miracle  
A star-crossed lover  
An arrow in my heart  
I need a rainy day  
And an endless summer  
A pocket full of stars
