

Nine Black Alps "So In Love"

Visit "[So In Love](#)" on MotoLyrics.com

I'm in love. I'm in love.
I'm in love with the way the world takes it out on me.
I'm in pain. I'm in pain.
I've been hurt by the way that you won't let me be,
yeah.
You won't let me be, yeah.
You won't let me be.

I could go. I could go.
I could leave you alone but you'd never set me free.
It's a shame. It's a shame that I can't play the part that
you seem to want from me, yeah.
That you want from me, yeah.
That you want from me and you try to get out, try to get
out.
Me yeah, you try to get out, try to get out.
You won't get out of love
