This southern cross is full of holes
Frozen and over
Another shark that never shows
Right until it's everywhere
I tried to make it
I tried to make it alright,
Alright

So what do I do-oo-oo-oo-oo-oo
Yeah what do I do-oo-oo-oo-oo-oo
Oh yeah yeah

You should of said, you should of known
Known you'd go nowhere
Another friend that never shows
Right when you need them more,
Than I could ever
And ever made it alright,
Alright

So what do I do-oo-oo-oo-oo-oo
Yeah what do I do-oo-oo-oo-oo-oo
Oh yeah yeah

And I tried to make it
I tried to make it alright,
Alright

So what do I do-oo-oo-oo-oo-oo
Yeah what do I do-oo-oo-oo-oo-oo
Oh yeah yeah
Oh yeah yeah
