I'm gonna speak no evil
I'm gonna do no wrong
I'm gonna love all the people
I'm gonna love them whatever they've done

'Cause my spirit's broken
My race is run
And I'm doing nothin'
That hasn't yet been done 'cause

I'm a vampire
Just a vampire
I'm a vampire in the sun
I'm a vampire
Just a vampire
I'm a vampire in the sun
Just a vampire in the sun

I'm gonna see no evil
And get it out of my head
I'm gonna fight for the people
I'm gonna love them whatever they said 'cause

I'm a vampire
Just a vampire
I'm a vampire in the sun
I'm a vampire
Just a vampire
I'm a vampire in the sun
Just a vampire in the sun

I'm a vampire
Just a vampire
I'm a vampire in the sun (x4)

I'm a vampire in the sun
Just a vampire
