Verse 1

Red lipstick, pantyhose, high heels, I'm h-o-t
With my fancy, sexy dress, lookin', fashionable, good
He's lookin' raw but I'm gonna make him bow
I'm always a majesty so I gotta let em work for me

Music's pullin' me to dance
I know he's watchin' but he doesn't stand a cha-a-ance
Mister tried to kiss me the french way, that's way too
fast
Now I can't let you stay, you really gotta prove it, move
it

Chorus

Back up, up off me
Back up, up off me
Back up, up off me
So just get out my face x3

Verse 2

With his snow white sneakers on, lookin' f-r-e-s-h
I can't deny he's in my thoughts but I gotta see em work
hard for me
Lova, lova I know you want a piece of all this
You gotta earn it and I wanna see you swea-sweat

Music's pullin' me to dance
I know he's watchin' but he doesn't stand a cha-a-ance
Mister tried to kiss me the french way, that's way too
fast
Now I can't let you stay, you gotta, gotta, gotta move it

Chorus

Back up, up off me
Back up, up off me
Back up, up off me
So just get out my face x3

Bridge

Can't wrap me around your finger, I won't fall for you
No you won't taste these tasty lips, I won't fall for you

(Speaking)

Now I'm not gonna tell you again, to get out my face
You're not moving quick enough for me... GET OUT MY
FACE

Move it, move it!

Chorus

Back up, up off me
Back up, up off me
Back up, up off me
So just get out my face x3
