Oh it's a message in crumbles
Oh it's surrender(ed?)
Oh it numbers our fear

Oh it's a message in crumbles
Oh it's surrender
Oh it numbers our fear

Are we too croon to swallow hurt or choose
Please say no
Are we to croon to swallow hurt or choose

Oohh oohh auh

Can you stay ooh
It's lucky i know

Auh see the deity in me
Auh you serve by a plate
At the same time chase your heartburns away?
You like gold and tumbleweeds
You like gold with? your?

Without you I'm undone
Without you they have me
Without you

Ooh it's a message in crumbles
Ooh it's surrender
Ooh it numbers our fear

Ooh it's a message in crumbles
Ooh it's surrender
Ooh it numbers our fear

Are we too croon to swallow hurt or choose
Please say no
Are we to croon to swallow hurt or choose

Auh auh auh
Only can you stay

Auh it's lucky i know

Anytime you walk away
Hell it's the price i pay
Only to love you all the way

Anytime you walk away
It was the price we paid
Anytime you walk away

Only can you stay
It's lucky i know
