People trying to claim you  
In the movies, they got characters that play you  
Like a holy ghost that noone knew  
You so huge you swallowed a few

Couldn't you have stayed  
You have stayed just a little longer  
Each night I pray... Please ignite me stronger  
Oh can I hold  
Each night I pray... Please ignite me stronger

A oh  
Each ignite I pray  
Please ignite me stronger  
Beggin sounds.

CHORUS:  
They paint you on walls and touch your skin  
Steal your style, try to package your being  
You're like a blanket to protect our truths  
Couldn't you have stayed  
You have stayed just a little longer  
Each night I pray... Please ignite me stronger  
Each and everyday  
Ohh a ohh. Calling sounds.

They paint you on walls and touch your skin  
Steal your style, try to package your being  
You're like a blanket to protect our truths  
Couldn't you have stayed just a little longer...  
Each night I pray

Ohh oh cries...

I'm so high,  
Can't seem to find my way,  
Through the maze are you in the sky?  
I'm so high,  
Can't seem to to find my way,  
Through the trees, are you in the sky?  
I'm so high,

Can't seem to find my way,  
Through the maze...  
Cries, pleads  
I'm not ready to go under  
Need to stay above the water  
I'm not read to go under  
Can you ahhh ah lead us unto...  
See your smile,  
To where your body moves...  
Water sounds...

I'm so high I can't seem to  
Find my way... are you in the sky...  
I'm so high
