You could be waiting for a day that won't come  
And you could be so much more than you've become  
And I have found my feet 257 weeks  
But you could be waiting for a day that won't come

You could be waiting for your life to begin  
And you could be so much more than, than you've been  
And I have found my feet 257 weeks  
But you could be waiting for your life to begin

And it's so sad  
You're so good and I'm so bad  
But you won't see me wasting the best thing I've ever  
had  
And it's such a shame  
That I can't tell you anything  
You won't hear me still you endear me now, yeah

Hard to see past the window facing forward looking  
back (oh, oh)  
Over years spent tracing wondering how you left your  
track (oh, oh)  
Underwater breathing burns your lungs and breaks  
your back (oh, oh)  
And you could be waiting right here for a day that won't  
come

And it's so sad  
You're so good and I'm so bad  
But you won't see me wasting the best thing I've ever  
had  
And it's such a shame  
That I can't tell you anything  
You won't hear me still you endear me now, yeah

(Oh, oh)  
Yeah, yeah  
Hey

You could be waiting for your life to begin  
And you could be so much more than, than you've been  
And I have found my feet 257 weeks

But you could be waiting for your life to begin

And it's so sad  
You're so good and I'm so bad  
But you won't see me wasting the best thing I've ever  
had  
And it's such a shame  
That I can't tell you anything  
You won't hear me still you endear me

It's so sad  
You're so good and I'm so bad  
But you won't see me wasting the best thing I've ever  
had  
And it's such a shame  
That I can't tell you anything  
You won't hear me still you endear me now, yeah  
(Oh, oh) still you endear me now  
(Oh, oh) yeah  
(Oh, oh) still you endear me now
