This is the story of a girl
Who cried a river and drowned the whole world
And while she looks so sad in photographs
I absolutely love her
When she smiles

Now how many days in a year
She woke up with hope
But she only found tears
And I can be so insincere
Making her promises never for real

As long as she stands there waiting
Wearing the holes in the soles of her shoes
Now how many days disappear
When you look in the mirror?
So how do you choose?

Your clothes never wear as well the next day
And your hair never falls in quite the same way
You never seem to run out of things to say

This is the story of a girl
Who cried a river and drowned the whole world
And while she looks so sad in photographs
I absolutely love her
When she smiles

Now how did we wind up this way
Watching our mouths for the words that we say
As long as we stand here waiting
Wearing the clothes or the soles that we choose

Now how do we get there today?
When we're walking too far for the price of our shoes

Your clothes never wear as well the next day
And your hair never falls in quite the same way
You never seem to run out of things to say

This is the story of a girl
Who cried a river and drowned the whole world

And while she looks so sad and lonely there
I absolutely love her
When she smiles

Well your clothes never wear as well the next day
And your hair never falls in quite the same way
You never seem to run out of things to say

This is the story of a girl
Who cried a river and drowned the whole world
And while she looks so sad in photographs
I absolutely love her

This is the story of a girl
Her pretty face she hid from the world
And while she looks so sad and lonely there
I absolutely love her

This is the story of a girl
Who cried a river and drowned the whole world
And while she looks so sad in photographs
I absolutely love her
When she smiles
When she smiles!
