This is a story of a girl  
Who cried a river and drowned the whole world  
While she looked so sad in photographs  
I absolutely love her  
When she smiles  
How many days in a year  
She woke with hope but she only found tears  
I can be so insincere  
Making promises never for real  
As long as she stands there waiting  
Wearing the holes in the soles of her shoes  
How many days disappear  
You look in the mirror  
So how do u choose  
Your cloths never wear as well the next day  
And your hair never falls in quite the same way  
You never seem to run out of things to say  
This is a story of a girl  
Who cried a river and drowned the whole world  
While she looked so sad in photographs  
I absolutely love her

When she smiles  
How many lovers would stay  
Just to put up with this shit day after day  
How do we wind up this way  
Watching the mouse for the words that we say  
As long as we stand here waiting  
Wearing the cloths of the souls that we choose  
How do we get there today  
When were walking to far for the price of our shoes  
Your cloths never wear as well the next day  
And your hair never falls in quite the same way  
But you never seem to run out of things to say  
This is a story of a girl  
Who cried a river and drowned the whole world  
While she looked so sad in photographs  
I absolutely love her  
When she smiles  
And your clothes never wear as well the next day  
And your hair never falls in quite the same way  
But you never seem to run out of things to say  
This is a story of a girl  
Who cried a river and drowned the whole world  
While she looked so sad in photographs  
I absolutely love her  
This is a story of a girl

Who pretty face she hid from the world  
While she looked so sad and lonely there  
I absolutely love her  
This is a story of a girl  
Who cried a river and drowned the whole world  
While she looked so sad in photographs  
I absolutely love her  
When she smiles  
When she smiles
