You're beautiful,
just like Mary's son,
You spin around me like the Earth to the Sun...
And everything is a word I need,
Because without it I'm just like a disease
Slowly fading...

[Chorus:]

Could it be that you want more than your place in the
Sun?
Could it be you've reached the end and you've only
begun?
I will not waste my time here,
I will not waste my life here,
Waiting for you...

You're beautiful unlike anyone,
Like a whisper and a breeze you were gone.
You're everything that the heart would sing,
And now without you I'm just like a disease,

Slowly fading...

[Chorus]

You were faded,
Overrated,
But your beautiful this time...
Could it be that you were more than your place in the
sun?
Could it be you've reached the end and you've only
begun?
I will not waste my time here...

[Chorus]

Cuz' you're faded,
Overrated,
Cuz' you're beautiful this time...
You're so beautiful this time...
Yes you're beautiful this time...
You're so beautiful...

yeah
dodadoodoodoodoodoo
dodadoodoodoodoodoo
dodadoodoodoodoodoo
dodadoodoodoodoodoo.....
