(K. Edwards/S. Janes)
I've given all thought
To what I think of you
I've given all my heart
And now I'm feelin' blue
this Saturday cartoon
is gunna change your mind
in this Saturday cartoon
gum is all I find
Blueberry gum mommy!
Blueberry gum!
Running around
has never felt so good
I'm bored out of my mind
if you only understood
So come on over
and celebrate with me
we'll rent us some movies
and drink us some tea
Blueberry gum mommy!
Blueberry gum!
(If this was only television)
