(K. Edwards/P. Aiden)
He come around my house
And asked if I was home
but everyone hates him
He knows he is all alone
He tried to win me over
with his forceful ways
But what I've learned
in spite of it
Is this dildos really gay!
Disgrace!
I'm tellin' you now
you're a disgrace!
You shouldn't be allowed
to ever
own your own CDs
to ever
come near anybody
cause I think your a Disgrace!
Ugly Ugly ugly!
That's all you'll ever be
you know nobody wants a rapist
and that's the truth deary
So go and hide your poseur face
you shameless gutter-goth
hell, your not even as cool as that
so shut you fucking mouth!
Disgrace!
I'm tellin' you now
you're a disgrace!
You shouldn't be allowed
to ever
own your own CDs
to ever
come near anybody
cause I think your a Disgrace!
Disgrace!
Disgrace!
Disgrace!
