If you leave where will you go  
Before the regret you hold in your heart  
Will start to show?  
If you leave how will you know  
If our ever after ever had a chance to grow?

Do you dream or do you sleep?  
Do you pick and choose  
Amongst the jewels for one to keep?  
Do you wish upon a star  
Or does everything just out of reach  
Seem just too far away?

Nothing seems to change  
Let alone you won't forget my name  
Just don't lose what you know  
Just don't lose what you know  
When you're so far away

So did you say  
That no matter where you go  
It all ends up the same?  
Do you wish upon a star?  
Or does everything just out of reach  
Seem just too far away

Nothing seems to change  
Let alone you won't forget my name  
Just don't lose what you know  
Just don't lose what you know  
When you're so far away

What you lose is what you know  
Where you go is where you grow  
How near we've come has yet to show  
We've come so close yet so far away  
So far away

What did I do to you?  
What did I do to you?  
What did I do to you?  
What did I do to you?

Nothing seems to change  
Let alone when you won't forget my name  
Just don't lose what you know  
Just don't lose what you know  
When you're so far away

What did I do to you?  
So far away  
What did I do to you?  
So far away  
What did I do to you?  
So far away  
What did I do to you?
