"Sometimes"

Shadows they fall on the stage of your own life
Trailing behind footsteps
There's comfort in ghosts who are no longer with you
Hiding behind your death

I let you down, you've lost your own taste
I'm losing ground, I fall from grace
Well, just listen, sometimes

You gotta set free what you love just to bring it back
Oh, would you ever lose me
Would you ever let go for that
And if the love is real, you gotta let yourself go
Just to bring it back, sometimes
Just to bring it back, mmm

Hiding inside my asylum
I'm always hanging on by a thread
I can't expect you to respect me
Until I've learned to respect myself

I've let you down, you've lost your own taste
I'm losing ground, I miss your face
Well, just listen
Well, just listen
Sometimes
Sometimes

You gotta set free what you love just to bring it back
Oh, would you ever lose me
Would you ever let go for that
And if the love is real, you gotta let yourself go
Just to bring it back
Sometimes
Just to bring it back
Oh, the love you're bringing back

I've let you down (I've let you down)
You've lost your own taste
I'm losing ground, I fall from grace
Well, just listen
Sometimes

Sometimes
Sometimes

You gotta set free what you love just to bring it back
Oh, would you ever lose me
Would you ever let go for that
And if the love is real, you gotta teach yourself
Just to bring it back
Sometimes
Just to bring it back
Oh, the love you're bringing back
Oh, the love you're bringing back
Sometimes
Sometimes
Just to bring it back
You gotta rest for a while, ohÂ...
Just to bring it back
Just to bring it back
