Is there anybody out there who knows what it is?
Is there anybody out there knowing?
Is it really true that these sticks make you move?
Is it really true that they make you move?
And can you feel the heat of the beat
from your head to your feet?
Can you feel the heat? I think I've

I've got
I've got
I've got -

I've got the beat - magic sticks - don't you try to run
away!
I've got the beat - magic sticks - so don't pull any tricks.
I've got the beat - magic sticks - I'll get you

I'll get you anyway.
I've got the beat - magic sticks - so come on
come on

come on and follow me.

Is it really true that these sticks make you move?
Is it really true that they make you move?
And are you stumbling and tumbling
and stopping just because of me?
Are you tumbling and stumbling

I think I've
I've got
I've got
I've got -

I've got the beat - magic sticks -
don't you try to run away! . . .

I've got
I've got
I've got -
I've got the beat - magic sticks - don't you try to run

away!

Can you feel the heat from your head to your feet?

Magic sticks - don't you try to run away! . . .
