Daylight is fading away, night silhouettes in the sky  
LED lights are flashing on towers  
It's Manhattan's magical time

Ballerinas dancing the Swan Lake  
On a river made of diamonds and pearls  
Everything's a little bit weird now

Because tonight, it is showtime  
In the middle of the street life  
All we celebrate are good times  
Because tonight, it is showtime

Come and walk with me  
1273 down the Rockefeller street  
Life is marchin' on, do you feel that?  
1273 down the Rockefeller street  
Everything is more than surreal

(Alright, alright, alright)  
(Let's go, let's go)

Oldschool Hollywood stars  
Party cinderellas are here  
They move like computer game heroes

Because they know it is showtime  
In the middle of the street life  
All they celebrate are good times  
Because tonight it is showtime

So let's keep movin' on

1273 down the Rockefeller street  
Life is marchin' on, do you feel that?  
1273 down the Rockefeller street  
Everything is more than surreal

So let's keep movin' on

Keep movin', keep movin', keep movin', keep movin'  
If you want to know what Rockefeller groove is

Keep movin', keep movin', keep movin', keep movin'  
Time is right to celebrate good times

Keep movin', keep movin', keep movin', keep movin'  
If you want to know what Rockefeller groove is  
Keep movin', keep movin', keep movin', keep movin'  
Time is right to celebrate the good times

1273 down the Rockefeller street  
Life is marchin' on, do you feel that?  
1273 down the Rockefeller street  
Everything is more than surreal

We're singing  
1273 down the Rockefeller street  
Life is marchin' on, do you feel that?  
We're singing  
1273 down the Rockefeller street  
Everything is more than surreal
