My clock's punched in, I'm comatized
34 years 'til sleep
I had no peace 'til you arrived
34 years 'til sleep

My mind was on overdrive
34 years 'til sleep
24 hour thinking, 7 days a week
34 years 'til sleep

Never had a nightmare, never a bad dream
34 years 'til sleep
Only capable of fantasies that went as I pleased
34 years 'til sleep

Twisting, turning, tossing, tossing, bone numbing,
burning, needles, scratching
Twisting, turning, tossing, tossing, bone numbing,
burning, needles, scratching

They videoed and drugged me like a human guinea
pig
34 years 'til sleep
They videoed and drugged me like a human guinea
pig
34 years 'til sleep
They gave up then said don't worry and it won't effect
you
34 years 'til sleep
Now the nightmares have arrived, I've only you to thank
Domo arigato gozaimasu, domo arigato gozaimasu
Domo arigato gozaimasu, domo arigato gozaimasu

34 years 'til sleep, 34 years 'til sleep
34 years 'til sleep, 34 years 'til sleep
34 years 'til sleep, 34 years 'til sleep
