Benevolent mother
Smother the child
The benefactors are in denial

Hey ..hello neighbour
Hey ..hello neighbour, right you are

There was a time
Not so long ago
I was master of everything I surveyed
Yes, there was a time
We did it my way
We'll do things my way

Benevolent mother
Smother the child
The perpetrators are in denial

The banality of evil

King of the castle
Room at the top
Off with their heads
Chop 'em off

The banality of evil

Benevolent mother
Smother the child
The benefactors are in denial

The banality of evil

King of the castle
Room at the top
Off with their heads
Chop 'em off

Hey ..hello neighbour

I don't believe in what you believe

You skin is filthy
And your gods don't look like god to me

But I want to touch you
Now that isn't right
No, that can't be right
But I want to touch you
You're leading me on I know it

Hey

King of the castle
More room at the top
All sorts allowed
Now the gloves are off

Hey .hello neighbour

Benevolent mother
Smother the child
The benefactors are in denial

The banality of evil

King of the castle
Room at the top
Off with their heads
Chop 'em off

The banality of evil

Benevolent mother
Smother the child
The perpetrators are in denial

The banality of evil

King of the castle
Room at the top
Off with their heads
Chop 'em off

The banality of evil
