

## Goodbye Coastline "Hey Dreamers"

Visit "[Hey Dreamers](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I'm still awake  
I've been partying for the past three days  
It's been vodka straight  
Pulled from the fifth while you were with your T.V. at  
home alone

Oh whoa whoa my head is a mess  
But I guess  
That's just the way I like it

Hey dreamers  
Let me tell you what you're gonna do  
I know you're wide awake  
And you wanna make  
The most of what's left of tonight  
You're still up  
You're still alive  
I know you just forget sometimes  
So hit the town and take 'em down  
Let's get fucked up tonight

Some people say  
That you're no fun, you don't belong  
But I don't think you're that way

How 'bout you break out tonight  
Your inhibitions got me wishing you would do it up right

Oh whoa whoa my head is a mess  
But I guess  
That's just the way I like it

Hey dreamers  
Let me tell you what you're gonna do  
I know you're wide awake  
And you wanna make  
The most of what's left of tonight  
You're still up  
You're still alive  
I know you just forget sometimes  
So hit the town and take 'em down  
Let's get fucked up tonight

Whoa whoa  
(So give it up)  
We never wasted all these nights we've been wasted

Whoa whoa  
(So give it up)  
We never wasted all these nights we've been wasted

Whoa whoa  
(So give it up)  
We never wasted all these nights we've been wasted

Whoa whoa  
(So give it up)  
We're always wasted!

Hey dreamers  
Let me tell you what you're gonna do  
I know you're wide awake  
And you wanna make  
The most of what's left of tonight  
You're still up  
You're still alive  
I know you just forget sometimes  
So hit the town and take 'em down let's get fucked up  
tonight

Whoa whoa  
We never wasted all these nights we've been wasted

Whoa whoa  
We never wasted all these nights we've been wasted

Whoa whoa  
We never wasted all these nights we've been wasted

Whoa whoa  
We never wasted all these nights we've been wasted

Whoa whoa  
We never wasted all these nights we've been wasted
