

Goodbye Coastline "Mister Disaster"

Hey girl, it's me,
I'm just a little tipsy, to be
Calling up so late at night
Assuming that i can get this right
Next time i'll avoid the call because now i'm going
down like a boxer
I stumble home alone
You're knocked out
That was just the liquor talking

Please don't answer
'Cause it's mister disaster
I'm sorry when i say that i'm feeling really bad about it
I've been writing novels on your wall
And now your phone has ten missed calls
Wish i was in your bed but i'm drinking with my friends
Without you

It frustrates me
I know we're done but stil can't let you be
I'm such an idiot
Why is it i can't get you off my mind tonight?

Please don't answer
'Cause it's mister disaster
I'm sorry when i say that i'm feeling really bad about it
I've been writing novels on your wall
And now your phone has ten missed calls
Wish i was in your bed but i'm drinking with my friends

Without you
Without you

Please don't answer,
Oh oh
Please don't pick up tonight

please don't answer
'Cause it's mister disaster
I'm sorry when i say that i'm feeling really bad about it
I've been writing novels on your wall
And now your phone has ten missed calls

Wish i was in your bed but i'm drinking with my friends
Without you
Without you
