Girl you broke the record  
For breaking hearts  
I'm sick of all the lying  
When I lie alone at night

Gimme me back  
Gimme back those nights  
When I thought you were only mine  
Whose lips were lucky that night?

Where did you go?  
When you broke my heart  
I broke into your apartment  
To get my shit  
And wreck the place for the hell of it

I'm not surprised that most your friends are guys  
Because you use them left and right  
Yeah  
You used me left and right  
I can't believe I bought it  
This is never what I wanted

Gimme back  
Gimme back those nights  
When I thought you were only mine  
Whose lips were lucky that night?

Where did you go?  
When you broke my heart  
I broke into your apartment  
To get my shit  
And wreck the place for the hell of it

Where did you go?  
When you broke my heart  
I broke into your apartment  
To get my shit  
And wreck the place for the hell of it

Where did you go?  
Where did you go?

(Where did you go?)

Where did you go?  
When you broke my heart  
I broke into your apartment  
And wrecked your stuff  
You should have thought twice when you fucked this up

Where did you go?  
When you broke my heart  
I broke into your apartment  
To get my shit  
And wreck the place for the hell of it

Yeah!
