You don't know what to say
So everyone's gonna get high
You don't know what to say
When you wake up in the middle of the night

But everyone's gonna get by
Everyone's gonna get by
Woah

Diggin' round our heads all day
Fixin' on building a fire
We don't know what to say
So everyone's gonna get high

Everyone's gonna get by
Everyone's gonna get by
Woah

Na na na na na na
Na na na na na na
Na na na na na na
Na na na na na na

Everyone's gonna get by
Everyone's gonna get by
Woah

You don't know what to say
So everyone's gonna get high
Is your time spent better this way
Than to wake up in the middle of the night?

Everyone's gonna get by
Everyone's gonna get by
Woah

Na na na na na na
Na na na na na na
Na na na na na na
Na na na na na na

Everyone's gonna get by
Everyone's gonna get by
Everyone's gonna get by
Everyone's gonna get by
Woah

We don't know what to say
So we get high
