I am all alone this time around  
Sometimes on the side I hear a sound  
Places parallel I know it's you  
Feel the little pieces bleeding through

And on  
This goes on  
And on  
And on  
And on  
And on  
And on  
And on  
And on

This goes on  
And on  
And on  
And on  
And on  
And on  
And on  
And on

Now I've decided not to stay  
I can feel me start to fade away  
Everything is back where it belongs  
I will be beside you before long

And on  
This goes on  
And on  
And on  
And on  
And on  
And on  
And on  
And on

This goes on  
And on  
And on

And on  
And on  
And on  
And on  
And on

Ohh, we will never die  
Beside you in time  
Ohh, we will never die  
Beside you in time

Ohh, we will never die  
Ohh, beside you in time  
Ohh, we will never die  
Ohh, beside you in time
