The foot is deep and the mouth is wide
Saw some things on the other side
Made me promise to never tell
You know me, I can't help myself, no

Now I've got something you have to see
They put something inside of me

The smile is red and it shines so black
I don't think I'll be coming back

I don't believe it
I had to see it
I came back haunted
I came back haunted
I said goodbye
but I had to try
I came back haunted
I came back haunted

Everywhere they're reminding me
I am not who I used to be
And my fate this has just begun
Consequences for what I've done

I don't believe in it
I had to see it
I came back
I came back haunted
I came back haunted
I said goodbye and I had to try it
But I came back haunted

I tried to tell nobody
But I couldn't stop myself
I came back
I came back haunted

Just can't stop
