you let me violate you
you let me desecrate you
you let me penetrate you
you let me complicate you
help me
i broke apart my insides
help me
i've got no soul to sell
help me
the only thing that works for me
help me get away from myself
i wanna fuck you like an animal
i wanna feel you from the inside
i wanna fuck you like an animal
my whole existence is flawed
you get me closer to god
you can have my isolation
you can have the hate that it brings
you can have absence of faith
you can have my everything
help me
you tear down my reason
help me
its your sex i can smell
help me
you make me perfect
help me get think im somebody else
i wanna fuck you like an animal
i wanna feel you from the inside
I wanna fuck you like an animal
my whole existence is flawed
you get me closer to god
