I believe I can see the future
'cause I repeat the same routine.
I think I used to have a purpose
Then again,
That might have been a dream.

I think I used to have a voice,
Now I never make a sound.
I just do what I've been told.
I really don't want
Them to come around, oh no.

Every day is exactly the same.
Every day is exactly the same.
There is no love here,
And there is no pain.
Every day is exactly the same.

I can feel their eyes are watching,
In case I lose myself again.
Sometimes I think I'm happy here.
(Sometimes) Sometimes,
Yeah I still pretend.

I can't remember how this got started, oh.
But I can tell you
Exactly how it will end.

Every day is exactly the same.
Every day is exactly the same.
There is no love here,
And there is no pain.
Every day is exactly the same.

I'm writing on a little piece of paper
I'm hoping some day you might find.
Well I'll hide it behind something
They won't look behind.

I am still inside her,
A little bit comes bleeding through.
I wish this could have been any other way,

But I just don't know,
I don't know
What else I can do!

Every day is exactly the same.
Every day is exactly the same.
There is no love here,
And there is no pain.
(Every day) Every day is exactly the same.
(Exactly the same!) Every day
Every day (Every day) is exactly the same.
(Every day) Every day is exactly the same.
There is no love here,
And there is no pain.
(Every day) Every day is exactly the same.
