You let me violate you
You let me desecrate you
You let me penetrate you
You let me complicate you

Help me
I broke apart my insides
Help me
I've got no soul to sell
Help me
The only thing that works for me
Help me get away from myself

I wanna fuck you like an animal
I wanna feel you from the inside
I wanna fuck you like an animal
My whole existence is flawed
You get me closer to god

You can have my isolation
You can feel the hate that it brings
You can have my absence of faith
You can have my everything

Help me
Tear down my reason
Help me
It's your sex I can smell
Help me
You make me perfect
Help me
think of somebody else

I wanna fuck you like an animal
I wanna feel you from the inside
I wanna fuck you like an animal
My existence is flawed

You
Get
Me
Closer to god

Through every forest
Above the trees
Within my stomache
Scraped off my knees
I drink the honey
From inside your hive
You are the reason
I stay alive
