What a dumbass I am  
I can't even rhyme these words  
What a dumbass I am  
I love napalm death

Even though napalm death sucks  
Sucks large balls  
Megadeth is way better  
I hang out in malls

I'm an idiot  
I watch looney tunes  
I'm an idiot  
I don't go to church  
I'm an idiot  
I like to smoke chairs  
I'm an idiot  
Shoot me please  
I can't get a girlfriend  
Because I suck  
I like to screw goats  
What a dumbass I am

I'm an idiot  
I watch looney tunes  
I'm an idiot  
I don't go to church  
I'm an idiot  
I like to smoke chairs (don't ask me how)  
I'm an idiot  
Shoot me please!
