she spread herself wide open to let the insects in

she leaves a trail of honey to show me where she's
been

she has the blood of reptile just underneath her skin

seeds from a thousand others drip down from within

oh my beautiful liar

oh my precious whore

my disease my infection

i am so impure

give it

devils speak of the way in which she'll manifest

angels bleed from the tainted touch of my caress

need to contaminate to alleviate this loneliness

i now know the depths i reach are limitless

oh my beautiful liar

oh my precious whore

my disease my infection

i am so impure

oh

oh

oh my beautiful liar

oh my precious whore

my disease my infection

i am so impure

oh my beautiful liar

oh my precious whore

my disease my infection

i am so impure
