## "March Of The Pigs"

Step right up, march, push  
Crawl right up on your knees  
Please, greed, feed, no time to hesitate

I want to little bit  
I want to piece of it  
I think he's losing it  
I want to watch it come down

Don't like the look of it  
Don't like the taste of it  
Don't like the smell of it  
I want to watch it come down

All the pigs are all lined up  
I give you all that you want  
Take the skin and peel it back

Now, doesn't it make you feel better?

Shove it up inside, surprise, lies  
Stains like the blood on your teeth  
Bite, chew, suck away the tender parts

I want to break it up  
I want to smash it up  
I want to \*\*\*\* it up  
I want to watch it come down

Make me afraid of it  
Let's discredit it  
Let's pick away at it  
I want to watch it come down

All the pigs are all lined up  
I give you all that you want  
Take the skin and peel it back

Now, doesn't it make you feel better?  
The pigs have won tonight  
Now, they can all sleep soundly  
And everything is all right
