And it's happening
Never planned on this
You got something I need
Kind of dangerous

And I'm losing control
I'm not used to this
What you want from me?
I'm not used to this

I can't shut it off
This thing I've begun
And it's hard to tell just
Where it's coming from

And it's hard to see
What I'm capable of
And it's hard to believe just
What I've become

Hey, can we stop?
Me, I'm not
Hey, can we stop?
Me, I'm not

Hey, can we stop?
Yeah, me, I'm not
Hey, can we stop?
Me, I'm not

I can swallow it down
Keep it all inside
I define myself
By how well I hide

I feel it coming apart
Well, at least I tried
I can win this war
By knowing not to fight

If I take it all back
Someway somehow

If I knew back then
What I know right now

Hey, can we stop?
Me, I'm not
Hey, can we stop?
Me, I'm not

Hey, can we stop?
Yeah, me, I'm not
Hey, can we stop?
Me, I'm not

Me, I'm not
Me, I'm not
Me, I'm not
