I'm becoming less defined as days go by  
Fading away, well, you might say I'm losing focus  
Kind of drifting into the abstract  
In terms of how I see myself

Sometimes, I think I can see right through myself  
Sometimes, I think I can see right through myself  
Sometimes, I can see right through myself

Less concerned about fitting into the world  
Your world that is, 'cause it doesn't really matter  
anymore  
(No, it doesn't really matter anymore)  
No, it doesn't really matter anymore  
None of this really matters anymore

Yes, I am alone but then again I always was  
As far back as I can tell, I think maybe it's because  
Because you were never really real to begin with  
I just made you up to hurt myself

I just made you up to hurt myself  
Yeah, and I just made you up to hurt myself  
I just made you up to hurt myself  
Yeah, and I just made you up to hurt myself

And it worked  
Yes, it did

There is no you, there is only me  
There is no you, there is only me  
There is no fucking you, there is only me  
There is no fucking you, there is only me

Only  
Only  
Only  
Only

Well, the tiniest little dot caught my eye  
And it turned out to be a scab  
And I had this funny feeling

Like I just knew it's something bad

I just couldn't leave it alone  
I kept picking at that scab  
It was a doorway trying to seal itself shut  
But I climbed through

Now I'm somewhere I am not supposed to be  
And I can see things I know I really shouldn't see  
And now I know why now, now I know why  
Things aren't as pretty on the inside

There is no you, there is only me  
There is no you, there is only me  
There is no fucking you, there is only me  
There is no fucking you, there is only me

Only  
Only  
Only  
Only

Only  
Only  
Only  
Only
