it's still getting worse after everything i tried.  
what if i found a way to wash it all aside.  
what if she touches with those fingertips.  
as the words spill out like fire from her lips.  
if she says come inside i'll come inside for her.  
if she says give it all i'll give everything to her.

i am justified.  
i am purified.  
i am sanctified.  
inside you.

Heaven's just a rumor she'll dispel.  
As she walks me through the nicest parts of hell.  
i still dream of lips i never should have kissed.  
well she knows exactly what i can't resist.  
if she says come inside i'll come inside for her.  
if she says give it all i'll give everything to her.

i am justified.  
i am purified.  
i am sanctified.  
inside you.

i'm just caught up in another of her spells.  
she's turning me into someone else.  
everyday i hope and pray that this will end.  
but when i can i do it all again.  
if she says come inside i'll come inside for her.  
if she says give it all i'll give everything to her.

i am justified.  
i am purified.  
i am sanctified.  
inside you.

as surely as the blade's course is run. maybe my  
kingdom's finally come.
