it's still getting worse after everything i tried
what if i found a way to wash it all aside
what if she touches with those fingertips
as the words spill out like fire from her lips

if she says come inside i'll come inside for her
if she says give it all i'll give everything to her
i am justified
i am purified
i am sanctified
inside you

heaven's just a rumor she'll dispel
as she walks me through the nicest parts of hell
i still dream of lips i never should have never kissed
well she knows exactly what i can't resist

if she says come inside i'll come inside for her
if she says give it all i'll give everything to her
i am justified
i am purified
i am sanctified
inside you

dear mom and dad, this is the hardest letter i've ever
had to write
i'd hoped somehow to get out of this quickly so that
you'd never have to know about it, but that just isn't
possible now i don't know what's going to happen, but
what can i say to you? will i'm sorry make a difference?
will it ease the pain? the shame you must be feeling
forgive me please

i'm just caught up in another of her spells
she's turning me into someone else
everyday i hope and pray this will end
but when i can i do it all again

if she says come inside i'll come inside for her
if she says give it all i'll give everything to her
i am justified

i am purified
i am sanctified
inside you

as surely as the blades course is run
maybe my kingdom's finally come
