terrible lie
terrible lie
terrible lie
terrible lie

hey god, i really don't know what you mean
seems like salvation comes only in our dreams
i feel my hatred grow all the more extreme
hey god, can this world really be as sad as it seems

terrible lie
terrible lie
terrible lie
terrible lie

don't take it away from me
i need someone to hold on to
don't take it away from me
i need someone to hold on to

hey god, there's nothing left for me to hide
i lost my ignorance, security and pride
i'm all alone in a world you must despise
hey god, i believed that promises, your promises and
lies

you made me throw it all away
my morals left to decay
how many you betray
you've taken everything

my head is filled with disease
my skin is begging you please
i'm on my hands and knees
i want so much to believe

i give you everything
my sweet everything
hey god, i really don't know who i am
in this world of piss
