(Hey God)

Why are you doing this to me?

Am I not living up to what I'm supposed to be?

Why am I seething with this animosity?

(Hey God)

I think you owe me a great big apology

Terrible lie

Terrible lie

(Everything)

Terrible lie

(My sweet everything)

Terrible lie

(I give you everything)

(Hey God)

I really don't know what you mean

Seems like salvation comes only in our dreams

I feel my hatred grow all the more extreme

(Hey God)

Can this world really be as sad as it seems?

Terrible lie

(Everything)

Terrible lie

(My sweet everything)

Terrible lie

(I give you everything)

Terrible lie

(My sweet everything)

Don't take it away from me, I need someone to hold on  
to

Don't take it away from me, I need someone to hold on  
to

Don't take it away from me, I need someone to hold on  
to

Don't take it away from me, I need someone to hold on  
to

Don't take it away from me, I need someone to hold on  
to

Don't take it away from me, I need someone to hold on  
to  
Don't take it away from me, I need you to hold on to  
Don't take, don't take, don't take it, don't take it, don't

(Hey God)  
There's nothing left for me to hide  
I lost my ignorance, security and pride  
I'm all alone in a world you must despise  
(Hey God)  
I believed the promises, your promises and lies

Terrible lie  
(Everything)  
Terrible lie  
(My sweet everything)  
Terrible lie  
(I give you everything)  
Terrible lie  
(My sweet everything)  
Terrible lie

You made me throw it all away, my morals left to decay  
(Terrible lie)  
How many you betray you've taken everything  
(Terrible lie)  
My head is filled with disease, my skin is begging you  
please  
(Terrible lie)  
I'm on my hands and knees, I want so much to believe

I give you everything, my sweet everything  
I give you everything, my sweet everything  
I give you everything, my sweet everything  
I give you everything, my sweet everything  
There's nothing left for me to hide  
(There's nothing left for me to hide)
