I control you  
I control you  
I control you  
I control you  
I control you  
I control you

I am the voice inside your head  
I am the lover in your bed  
I am the sex that you provide  
I am the hate you try to hide

I control you  
I control you  
I control you  
I control you  
I control you  
I control you  
I control you  
I control you  
I control you  
I control you  
I control you  
I control you  
I control you  
I control you  
I control you  
I control you  
I control you  
I control you
