Gunfire in the street
Where we used to meet
Echoes at a beat
And the bass goes "bomb"
Right over my head
Step over the dead
Remember what you said

You know the part about life
Is just a waking dream
Well I know what you mean
But that ain't how it seems right here, right now

How can this be real?
I can barely feel
Anymore

I am trying to see
I am trying to believe
This is not where I should be
I am trying to believe

Blood hardens in the sand
Cold metal in my hand
Hope you understand the way that things are gonna be
There's nowhere left to hide
'Cause God is on our side
I keep telling myself

I am trying to see
I am trying to believe
This is not where I should be
I am trying to believe
