I'm drunk
And right now I'm so in love with you
And I don't wanna think too much about
What we should or shouldn't do

Lay my hands on Heaven
And the sun and the moon and the stars
While the Devil wants to fuck me
In the back of his car

Nothing quite like the feel of something new
Maybe I'm all messed up, maybe I'm all messed up
Maybe I'm all messed up in you

Maybe I'm all messed up, maybe I'm all messed up
Maybe I'm all messed up
Maybe I'm all messed up in you

Maybe I'm all messed up
This is the only time I really feel alive
This is the only time I really feel a life

I swear
I just found everything I need
The sweat in your eyes the blood in your veins
Are listening to me

Well, I want to wrap it up
And swim in it until I drown
My moral standing is lying down

Nothing quite like the feel of something new
Maybe I'm all messed up, maybe I'm all messed up
Maybe I'm all messed up in you

Maybe I'm all messed up, maybe I'm all messed up
Maybe I'm all messed up
Maybe I'm all messed up in you

Maybe I'm all messed up
This is the only time I really feel alive
This is the only time I really feel alive

Maybe I'm all all messed up [Incomprehensible]
[Incomprehensible]
[Incomprehensible]

This is the only time I really feel alive
This is the only time I really feel alive
This is the only time I really feel alive
This is the only time I really feel alive
