[Intro]

Brick Squad monopoly (ugh)

You know I'ma break her

Bitch come and choose up!

I just be on hard mayne

Me and old Gucci Mane

[Waka Flocka Flame]

Shhh, be quiet, shhh, be quiet

She talkin like you wired, her ass think she hired

Take you to a place real private

Vick you down and let you suck my private

I have no feelings - I'm a cold hearted nigga

You might catch me wit'cha sister, autograph my picture

I won't never kiss her, pills weed and some liquor

He might fuck 'round the liquor, I'm gon' get her Visa

You know I'ma break her, I don't hear no cake bruh

Send her out get cake bruh, bitch be back by 8 uhh

Sunshine my money maker, TT that's my down bitch

CC got real loose from that, you would give shawty a stupid check

[Chorus]

You know I'ma break her

Bitch come and choose up!

I done stepped my game up

Got a house outta her

She done bought me rings bruh

Got a chain outta her

I just pimp hard mayne

Me and old Gucci Mane

[Gucci Mane]

Break-a-Bitch College, sugar pimp knowledge

Skeet in her mouth and the bitch just swallowed

Give her guidelines and the slut just followed [2X]

I'm on mine, I gots to grind, my rhyme for a reason

Yo sis is a streetwalker, workin procedures

Baby bought me this, baby bought me that

Gave me a brick and I turned it to crack

Make me wanna fuck her, gotta come back

Lil' short thang with a ass so fast

Menages, massages, she too wild, no flaugin

She choose up, I po' up, I'm two up, she bobbin

I'm a nuisance, no nonsense  
I'm a monster, no conscience  
No option, who want it? Haters get left, unconscious  
Grind in the 'rarri every day like a Chevy  
Smoke so heavy that the dub man smell me  
Used to let a boy named Luke get to me  
In the club drunk got to fightin already  
[Chorus - repeat 2X]
