(Gucci Mane):

Get out my lane

Get out my lane

Get out my lane

Ferrari boyz

[Verse 1]:

I'm in that yellow thing on the 'spressway

that bitch so nasty it might give a bitch road rage

get out my lane, ferrari boyz

you see the chain, so icy boys

I'm riding in a mansion but I don't think I'm fancy

but I cut the blinker on and my diamonds dancin'

Once upon a time, a little while ago

it was a nigga in a 'rrari with a pretty yellow ho

Got my head held up 'cause I think I'm handsome

yet the media portraying me as Charles Manson

And I could have bought a phantom, roll here four

deeper

but I rather pull up solo in that yellow two-seater.

[Chrous]:

Get out my lane

Ferrai boyz (Ferrari boyz)

See the chain?

So Icey boys (burr, burr!)

[2x]

(Waka flocka Flame)

[Verse 2]:

Riding in a 'rrari same color as bacardi,

she don't like me, shorty, man she like my car

damn near wanna fuck my chain

damn near wanna fuck my name

want to bust every nigga in the click I claim

deep-dish rims and the offsets, mane

that's how me and gucci mane came

iced out, poppin' shit, drunk switchin' lanes

I rock bandanas like santana

screaming out who want some ana?

Made a million off my words

they had love for my country grammer

Pass the antenna

'cause these rappin' careers got static in it

I'm a walking meal ticket just wait a minute

bank account got commas in it  
all black 'rrari, know the llama's in it  
I hear them talkin' that gangsta shit but I know they  
lame as hell  
One thing: I ain't gonna fail, pussy nigga you scared of  
jail  
My name ring bells my engine loud as hell  
shit my 'rrari cost like two-hundred and thirty bills.  
[Chorus 2x]  
(Waka Flocka Flame):  
I'm just lane changin', chain swangin'  
I'm just lane changin', chain swangin'  
I'm just lane changin', chain swangin' (ferrari boyz)  
I'm just lane changin', chain swangin'  
I'm just lane changin', chain swangin'  
I'm just lane changin', chain swangin' (ferrari boyz)  
[Chous 4x]
