You decide to keep your pride
I ain't white ain't got no patience
Raised on a groove I ain't got an education
24/7 trying to fuck a vacation
€ real nigger why you go to the station
€ why the fuck niggers hating
Can't be pleasant € had to take them
Suicide pain, suicide rims
Suicide loud, I got them suicide friends
Suicide bitches they will kill for a nigger
Call it suicide run upon me for a nigger
Homicide € homicide €
Homicide your ass and put your ass on a shirt
Homicide ice, homicide life
Homicide your kids and you motherfucker wife, Gucci.
