My phone is ringing, right off the hook
Don't really feel like picking up
I know you're calling, don't give a f#ck
Cause we've fallen out of love..

I believed we were meant to be
I was wrong and now I'll live my life for me, for me

We're gonna dance all night and sing all day
I've grown these wings so I can fly away
Dance all night and sing all day
I've grown these wings so I can fly away
Fly away, fly away, fly away, fly away
Dance all night and sing all day
I've grown these wings so I can fly away

Don't think about it, don't waste your time
Moving on can be a bitch
I can't explain it, but you'll be fine
You'll just have to deal with it

I believed we were meant to be
I was wrong and now I'll live my life for me, for me

We're gonna dance all night and sing all day
I've grown these wings so I can fly away
Dance all night and sing all day
I've grown these wings so I can fly away
Fly away, fly away, fly away, fly away
Dance all night and sing all day
I've grown these wings so I can fly away

Fly away..
Ya!
I'm free now
I know how
I'll sing loud and live right now
I'm free now
I'll sing loud.. I'll sing loud

I believed we were meant to be

I was wrong and now I'll live my life for me, for me

We're gonna dance all night and sing all day

I've grown these wings so I can fly away

Dance all night and sing all day

I've grown these wings so I can fly away

Fly away, fly away, fly away, fly away

Dance all night and sing all day

I've grown these wings so I can fly away
