In my face is a women who stands
Searching for scenes of money and class
When she talks there's the sight of a plan
Now I see what the lying is for
Will she look in the mirror tonight
Will she find what she's looking for

And I wonder why, she's chasing a rainbow
Will she ever see the pot of gold in me
And they wonder why, I'm a running Romeo
(I'm Running, I'm running, I'm running, I'm running)
I'm a running Romeo
(I'm Running, I'm running, I'm running, I'm running)
I'm a running Romeo

As I look to the east, kindred wisdom is sold
People see through the coin, only bleeding with love
All I need is a world, distant to a rainbow
Laughter echoes above screaming vanity go
No one should ever be alone but it must be known
Love will only find you

(I'm Running, I'm running, I'm running, I'm running)
I'm a running Romeo
(I'm Running, I'm running, I'm running, I'm running)
I'm a running Romeo

Ooooh (I'm running)
[repeat until fade]
