Eyes wide shut, in another world
Sleeping tight, was a lonely boy
Shifting stars, on the ceiling wall
There's a nightlight breathin' there

Reaching out, to the land of the lord from the dark in
my room
Screaming out, for the light of the soul
To be gone from the world that I'm in.

You, were the nightlight,
Searching for sunlight here
You, are the nightlight
Born at the sight of a tear
At the sight of a tear
At the sight of a tear

Toss and turn sheets are sliding down,
Won't awake till the light is found
Conscious mind, went to say goodbye
Now this dream is floating on

Just as I, turn and hide from the man
I am struck by a light from the moon,
Guiding me, like a knight shining back to my world
Filled with love centered wounds.

You, were the nightlight,
Searching for sunlight here
You, are the nightlight
Born at the sight of a tear
At the sight of a tear
At the sight of a tear

You, were the nightlight,
Searching for sunlight here
You, are the nightlight
Born at the sight of a tear
At the sight of a tear
At the sight of a tear

(At the sight of a tear)
