

Gypsy And The Cat

"Sorry"

Visit "[Sorry](#)" on MotoLyrics.com

I know you won't, say you're sorry
Don't you have to be sorry for that?
I know you won't, say you're sorry
I'm already a ghost of the past

All around the world, people joining in the game
Did you jump the gun, did you shift across the pain
You could say the word, maybe tint that memory
But I sold my yesterdays, I sold my yesterdays to you
S-O-R-R-Y

I know you won't, say you're sorry
Don't you have to be sorry for that?
I know you won't, say you're sorry
I'm already a ghost of the past

Go through the storm, or dancing in the rain
Life will never find me looking doubty in the pain
Look after the sun, there must be days left to be won
So leave my yesterdays, my yesterdays to you
S-O-R-R-Y

I know you won't, say you're sorry
Don't you have to be sorry for that?
I know you won't, say you're sorry
I'm already a ghost of the past

I know you won't, say you're sorry
Don't you have to be sorry for that?
I know you won't, say you're sorry
I'm already a ghost of the past

I know you won't, say you're sorry
Don't you have to be sorry for that?
I know you won't, say you're sorry
I'm already a ghost of the past

S-O-R-R-Y
S-O-R-R-Y
S-O-R-R-Y
S-O-R-R-Y

I know you won't, say you're sorry
I'm already a ghost of the past
