What do you want, what do you want?
What did you come here for?
Thought it was done, thought it was done
But he had come knocking back on my door

Oh what happens, happens
Yeah it happen, happen, it's history
Oh it happens, happens,
Yeah it happen, happen's no mystery

So why'd you keep coming, why'd you keep coming
back?
Thought your bags were already packed yeah
Why'd you keep coming, why'd you keep coming back?

How many times
Are we gonna go over this
It's like a hammer in my head
You're coming down on me like a ton of bricks

Oh what's done it's done, it's been too long
It's ancient history
Yeah what's done it's done, we can't go on and
Ain't no mystery

So why'd you keep coming, why'd you keep coming
back?
Thought your bags were already packed yeah
Why'd you keep coming, why'd you keep coming back?
Can't move forward again with this
Why'd you keep coming, why'd you keep coming back?

Don't you have a home to go to?
Don't you have another soul to hold you?
Am I the only one who really knows you?

So why'd you keep coming, why'd you keep coming
back?
Thought your bags were already packed yeah
Why'd you keep coming, why'd you keep coming back?
Can't move forward again with this

Why'd you keep coming, why'd you keep coming back?
Take your train down another track
Why'd you keep coming, why'd you keep coming back?
